## **C.B.E. STAFF ASSOCIATION**

Update # 20

June 2, 2008

***All Main Body Staff  
Association members are  
on strike Tuesday, June 3  
and Wednesday, June 4.***

**NO Staff Association main body members are to report for work on these two days. Everyone is expected to report for work as usual on Thursday, June 5, 2008.**

***Being on strike does not mean you have to picket.*** Everyone will be assigned a picket shift. Please refer to the schedule for picketing that is posted on the Staff Association website. If you have other commitments for the time you are assigned, you are welcome to picket at whatever time works for you.

We are working on a communication plan. If you have not yet sent in your personal contact information, please email your home phone number and email address to Sonya at [slgillis@staffassociation.ab.ca](mailto:slgillis@staffassociation.ab.ca) Don't send it again if you did already.

Members of the PSS will be meeting on Tuesday, June 3, 2008 at 4:00 pm to make decisions on their strike action.

The more we work together, the quicker we can get a resolution – and we **ALL** will get a fair agreement. By taking the strike vote and sticking together, we have already accomplished much. By continuing together, we will **ALL** accomplish more. We must stick together.

***Together, we are strong!***
