C.B.E. STAFF ASSOCIATION

Update # 21 – June 2, 2008

STRIKE DAYS

Tuesday, June 3 and Wednesday, June 4, 2008

Picketing will take place at the following locations only:

**Education Centre
Highfield
Selected Schools**

Please check the attached picket schedule for when your school or work site has been designated to picket. If you cannot attend at the time assigned, please feel free to picket at whatever time or location works for you.

We would appreciate a large contingency of picketers at the Education Centre on Tuesday and Wednesday mornings from 6:00 – 10:00 am and Tuesday evening from 4:00 – 6:00 pm and at Highfield both Tuesday and Wednesday mornings from 6:30 to 8:30 am.

It has been brought to our attention that some members have been told by their managers/supervisors that they will not be paid for holidays and benefits will be cancelled if they do not come into work on Tuesday or Wednesday. If you have scheduled holidays for Tuesday or Wednesday, they will not be considered as holiday days but nor should these days be deducted as holiday time. Benefits are covered for the month of June. You should not be coerced into crossing a picket line. ***If this is happening to you, please email Staff Association immediately!***

Crossing the picket line will undermine the position of the negotiation team and only hurt all Staff Association members in the long run. This also causes huge damage to working relationships between those who cross and those who support their association. **WE ARE A DEMOCRACY.** The majority has voted to take this action. That is how a democracy works.

We must be able to count on your support!
