NFORMATION

When: Wednesday, May 7, 2008

Time: Between 6:30 pm - 9:30 pm

*Where: Coast Plaza Hotel and Conference Centre
1316 – 33 St. N.E.*

*Why: **To show support for our negotiation team
and to provide the necessary steps to start
job action.***

*Who: All permanent SA members and anyone who
has worked for the CBE within the last 60 days
are eligible to vote.*

- There will not be a meeting at the Coast Plaza Hotel on May 7. You can arrive anytime between 6:30 and 9:30 pm where you will check in to receive your ballot, make your choice on it, then deposit it into the ballot box. You are not required to stay after that.
- The Alberta Labour code does not allow any activity at a vote that can be considered “electioneering”. Therefore, we are not able to hold a meeting at the vote. The Alberta Labour code governs the rules around holding a strike vote and the Alberta Labour Relations Board is who we must take direction from.
- We have been provided with a staff list from CBE. However, with all the PeopleSoft difficulties lately, we don’t really know how accurate the list is. Just in case, bring a recent paystub or your SA membership card with you to vote. **You are not required to show identification unless your name is not on the staff list.**
- Pending the vote outcome, a membership meeting will be held on May 15 to determine what the next steps will be.

Please vote YES on May 7
