

***C.B.E STAFF ASSOCIATION – Update #3
March 2008***

Just a short update on what is happening in negotiations. The CBE Staff Association negotiation team applied for Mediation on Monday March 3, 2008. On Tuesday March 4, 2008 Dan Kennedy, the Director of Mediation Services received our application and assigned Tom Hodges as the mediator. Presently we are in the process of setting up dates to meet with him and the CBE.

The Calgary Board of Education has insisted that we negotiate two separate collective agreements, the Main Body and PSS. We have agreed to this but have requested that only one mediator mediate both agreements.

We will also be sending out to the membership a comparison list of CBE Proposals and Staff Association Proposals in the next bulletin.

This communication should come out by the end of the week. Your KIT Team representatives will also be sending emails out with further information. **WATCH FOR IT!**

Have you visited the Staff Association's web site and tried out the inflation calculator?
